ACTION TAKEN REPORT ON FEEDBACK ANALYSIS

Each department of the Institute collects feedback from the students, parents and alumni to monitor and evaluate its performance quality on curriculum and curriculum related issues. Students also give Institutional feedback which is related to the infrastructural and student support facilities.

The feedback collected is analyzed and necessary actions have been taken which is furnished hereunder for the A. Y. 2018-19.

A.Y. 2018-2019

Sl.No.	Observations	Action Taken
1.	There is need of further training of teachers and students for better use of the smart classroom	We have readily arranged training programs for students and teachers separately to enhance their ability to use the smart class room
2.	Cleaning and washing of toilets should be more frequent.	The sweepers have been instructed to do their job more regularly.
3.	Most of the students are quite satisfied with our teaching learning methods.	This feedback pleased our teachers. Still teachers have been directed to give more focus on teaching learning methods through departmental H.O.D(s).

ACTION TAKEN REPORT ON FEEDBACK ANALYSIS

Each department of the Institute collects feedback from the students, parents & alumni to monitor and evaluate its performance quality on curriculum and curriculum related issues. Students also give Institutional feedback which is related to the infrastructural and student support facilities.

The feedback collected is analyzed and necessary actions have been taken which is furnished hereunder for the A.Y. 2019-20.

A.Y. 2019-2020

Sl.No.	Observations	Action Taken
1.	During pandemic situation students have to attend classes through online mode.	Online classes have been taken following proper routine for each department through our college website, Zoom,, Google meet platform etc.
2.	Study materials through online mode should be provided.	Teachers have been directed to upload their study materials into our college website. Most of the departments have uploaded their respective study materials into our college website.
3.	Slow learners need remedial classes for their doubt clearing.	All the teachers have been directed through their H.O.D. to arrange remedial classes following a separate routine.

Each department of the Institute collects feedback from the students to monitor and evaluate its performance quality on curriculum and curriculum related issues. Students also give Institutional feedback which is related to the infrastructural and student support facilities. The feedback collected is analyzed and necessary actions have been taken which is furnished hereunder for last five years (2020-2021):-

A.Y. 2020-2021

During pandemic situation (COVID -19) all the teaching learning process has been carried out through online mode. Co-curricular activities like seminar, workshop etc have been conducted by all the departments of the College through online mode, focusing on advanced learners. A virtual workshop on Yoga has been performed which was found to be very effective during this pandemic period. All the teachers, non teaching staffs and Principal of our college contributed a sum of money and sometimes essential food packages either to a proper organization or directly to the poor people of the society who lack regular earnings due to this pandemic situation. Several times we gave moral support to the students for fighting against this pandemic situation.
